A Word From the Principal

Dear Families

Well it is the end of term 1 and what a great term it has been. The introduction of many new staff members: including a Principal, teachers, new reception children and students who enrolled during the term saw relationship building as a priority for our school community. I feel very confident in saying the culture at Willsden has certainly allowed us to build successful relationships essential in providing our students with the education they deserve.

Thank you to all the family members who attended our Parent Teacher interviews in week 10. Your contributions to the teaching, learning and student achievement is valued and will help us provide purposeful learning for students. If you have any interests or talents to share or would like to support student learning, please feel free to come in and chat with us.

I would like to thank all school community members for contributions made to the many achievements we have made as a school community this term. I wish all of you a great Easter and an even better holiday over the coming two weeks and look forward to working with you all again next term.

Thank you,

Miss Linda

Don't forget early dismissal of 2pm on the last day of Term Thursday 13th April.

Have a safe and enjoyable Easter and Holiday Break, see you all back in Term 2.

SAPSASA NETBALL

On Friday the 6th of April Willsden Primary School participated in a Netball Carnival. Div 2 won 3 games, lost 3 and drew 1. We also came 4th place overall, and made it into the grand finals but lost going down by 2 points.

Sadly Div 3 didn't win a game, but Improvement was seen amongst all the players during the day. We would also like to congratulate Richelle Crombe for getting picked to try out for the Northern Districts Netball Team.
