A Word From the Principal

Hello students and families,

Well here we are at the end of week 7. The term continues to go by, but not without some wonderful achievements. On Wednesday I was fortunate to attend the Wellbeing Masterclass presented by the School Ministry Group here in Port Augusta. This was a very special occasion as some of our students and family members attended the conference with Ms Weber, Marsha, Jesse, Sio and I. We were all there for the launch of the film made with our students and families to promote the 5 Keys to Communication. It was a very proud moment as over 100 people viewed our families working together on ways to communicate effectively with our children. I would like to thank the wellbeing team, our film producer Stu, students and families for all making this possible. I would especially like to congratulate and thank Bec for having the confidence to speak in front of so many people about her involvement in the film and what it meant to her as a parent. You have all made our school community very proud. We invite all families to our wellbeing assembly next Wednesday the 21st June 2017 at 12:30pm in the gym to watch the films, followed by a BBQ lunch.

I look forward to seeing all our students and family members here.

Regards,

Miss Linda
