AQUATICS

Aquatics

Room13 went to Aquatics on February the 11th at Port Augusta Aquatic Centre. Simon talked about water safety with the students. The three other instructors names were Steve, Ash and Megan. They told students it is important to tell parents; who you're going with, when you'll be back and where you're going.

We went snorkelling and some people completed a Duck Dive and we saw tons of fish.

Then we went canoeing and one group flipped. We created a raft using all the canoes. I like canoeing, it is fun.

Then we had lunch and a safety talk about places with big currents. They are dangerous.

Then we went sailing and it was so fun. We took it in turns as crew members and skippers.

Then in kayaking, Shonesha and I tried to capsize the kayak and we couldn't. So we went jumped of out, instead of flipping. I fell off.
