Community Breakfast

Thanks to everyone who joined us for our delicious community breakfast on Monday 18th February.

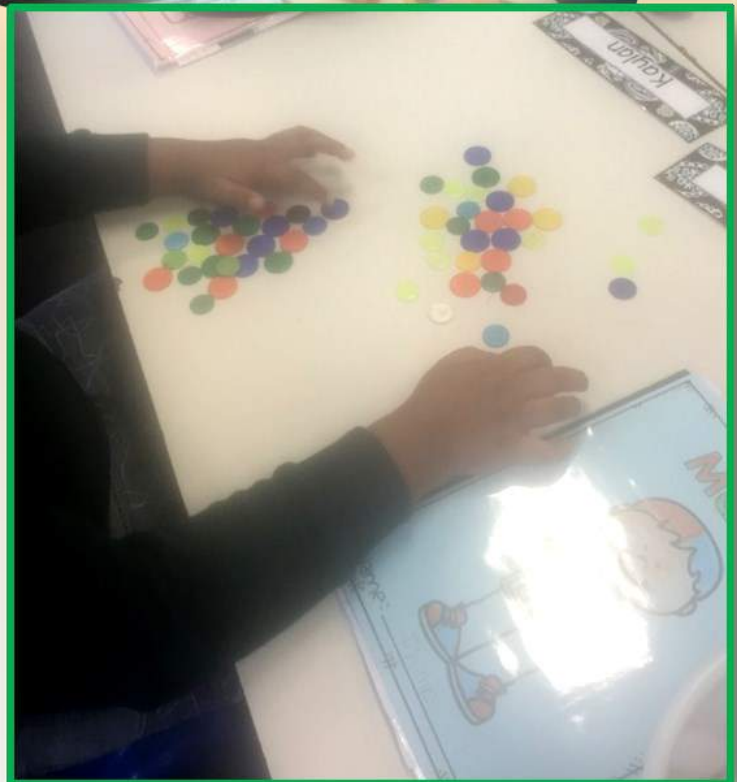

Maths

In Room 16, we have been looking at how we can count quickly by creating groups.

In these photos, we are creating arrays to investigate different numbers and how you can group the same number in different ways.

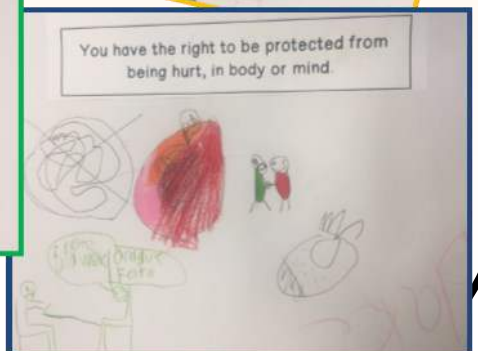

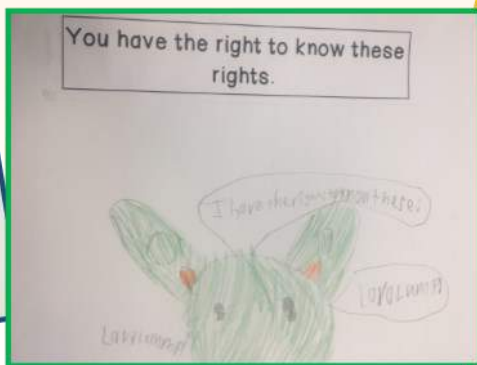

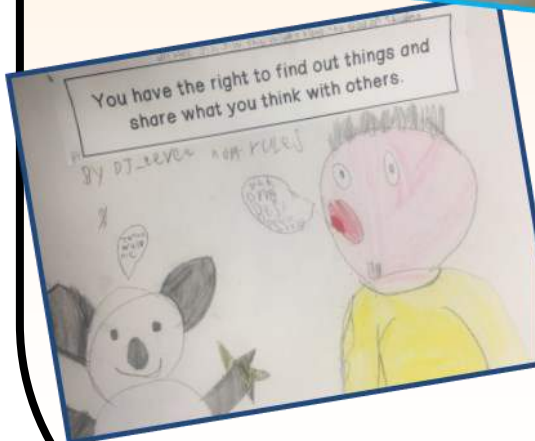

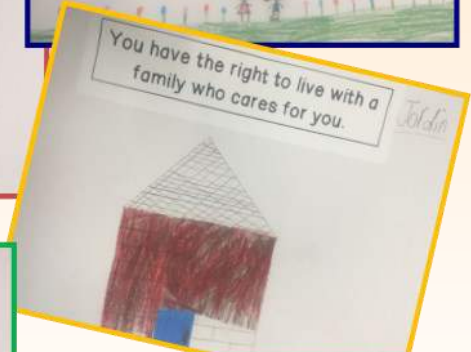

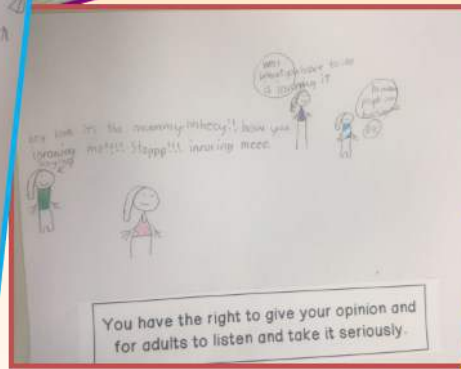

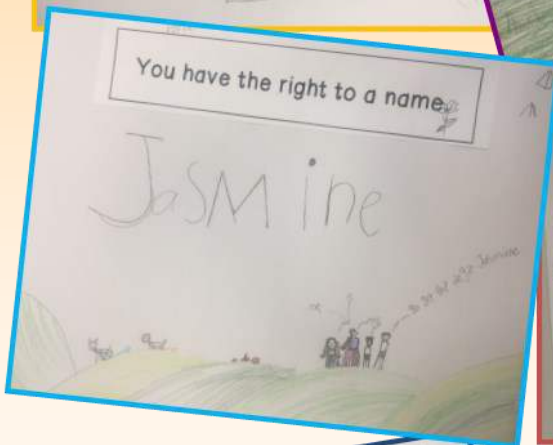

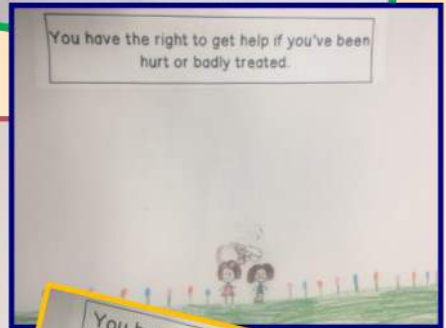

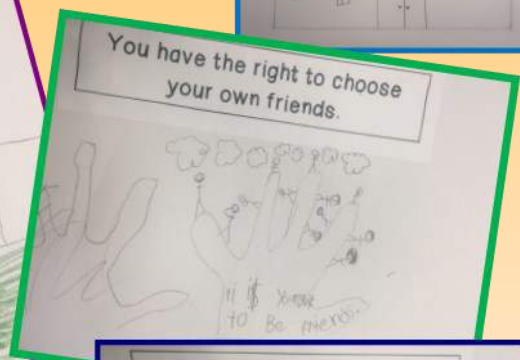

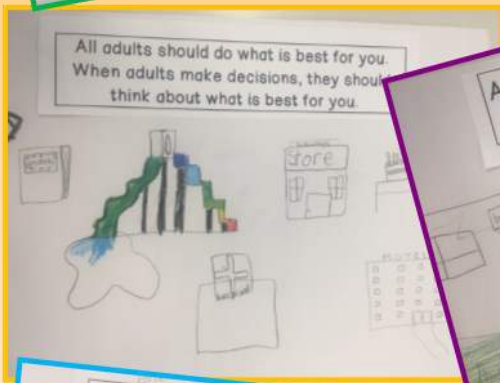

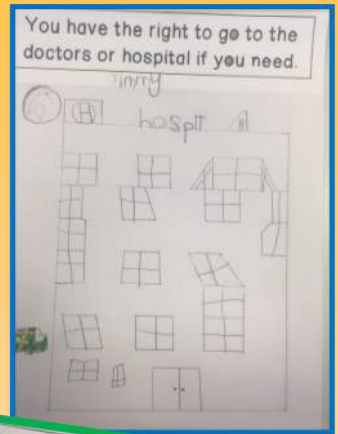

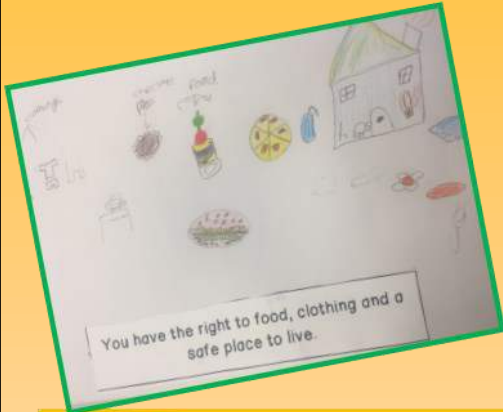

We have begun to understand that when you add something again and again, this is called 'times' or multiplying.

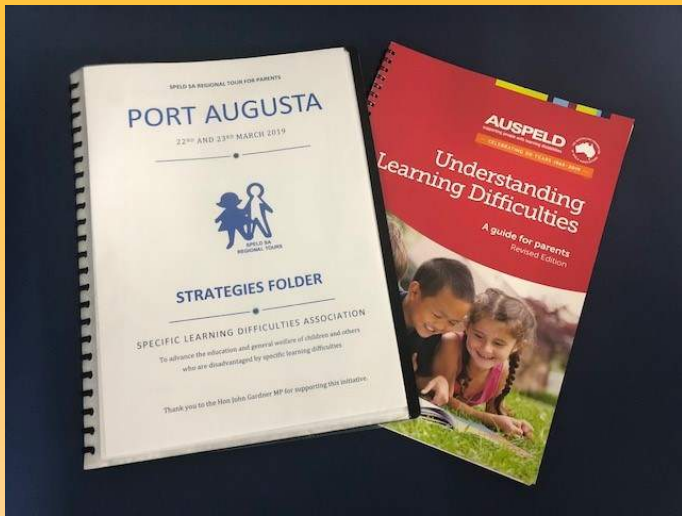

Our Rights and Responsibilities

We have also been investigating the different rights that everybody has.

We looked at the UN Declaration for Rights of a Child and illustrated our rights.

Free Parent Workshops

SPELD SA is presenting free workshops in Port Augusta suitable for parents of children in Preschool, Junior, Primary and Secondary School on Friday 22nd and Saturday 23rd March 2019. These workshops may also be beneficial for SSOs who are welcome to attend.

Numbers are limited so book early.
