# Hope Downloaded

In week 4 we were fortunate enough to have the youth band HOPE DOWNLOADED, from Adelaide, come to perform some songs and speak to us about using our voices to bring *hope* and *encouragement* to others. Many of the students, even some teachers, took part in getting up to dance and sing along. There were even some surprise visitors from the well-being classroom - Cat, Bug and Huggtopus. The junior primary students gave their Kimochi friends lots of hugs and Hi-5's. It was a fantastic afternoon, with lots of positive feedback.

# Rm 8

## Receptions

Room 8 has been doing some exciting learning.

During our integrated learning we have been learning about our senses (Sight, Hear, taste, touch, smell.) We chose our favourite sense and wrote a sentence about why we like it.

George I like sticking out his tongue and licking things.

Dakota I like chocolate.

Jay'Coen I can touch the straw

Abigail I saw a rainbow

Nevaeh I can taste sausage it is yummy.

Anthony I can touch Jay'Coen

Lailah I can taste the apple.

# Staying Alive

We explored the school yard to find things that are living. We learnt that leaves that have fallen off a tree are still living things. We have also investigated what living things need to survive. We made shelters out of blankets and sticks and we made pet pillows.
