Improvement plan for

2019 to 2021

- Complete every step. The Quality School Improvement Planning Handbook explains how to do this. In addition, your education director will provide support.
- Text will reduce in size the more you type. Exceeding the optimal limits will result in illegible text size electronically and in-print.
- Complete steps **1 to 3** during term 4 and have it approved by the principal, governing council chairperson, and education director.
- Email this plan (steps 1 to 3) to your education director.
- Publish your school improvement plan (steps 1-3) on your school website.
- Work through **step 4** (Improve practice and monitor impact) regularly throughout the school year. This step does not need to be published on your website.
- Complete **step 5** (Review and evaluate) in term 4 of each year. This step does not need to be published on your website, though it should inform the Improvement Planning - Review and evaluate section of your annual report to the school community.
- Your school improvement plan will be current for 2019 to 2021 and should be updated in term 4 each year.
- Note that each text box has a specific optimal character limit. Character limit includes words, punctuation, bullet points and spaces.
- Be careful when copying from other documents, and remove any paragraph spaces from lists and bullet points as that will reduce text size.
- Steps 1-3 will auto-populate as you type in text, meaning text will carry over across multiple pages and sections.
