**Wednesday 3rd Nov**

**Swimming Lessons**

**Week 6 & Week 7**

**Parent Voice Meeting**

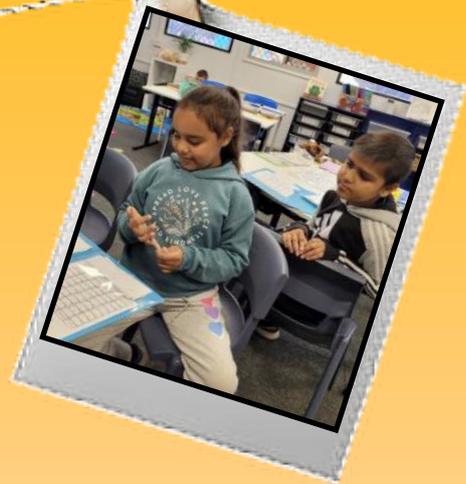

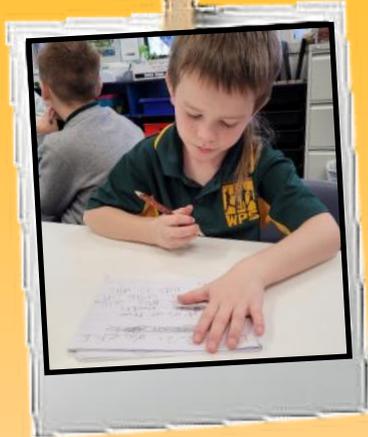

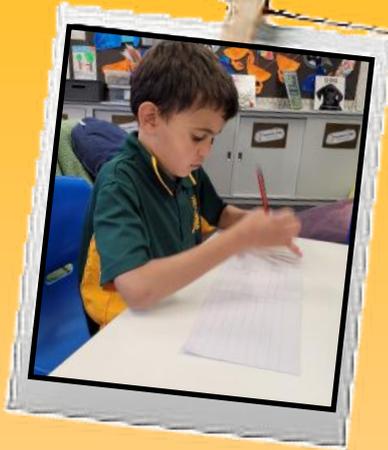

**Monday 29th Nov**

Dear Families,

Welcome back to Term 4, our final Term for 2021. We have lots of wonderful things happening this term including, swimming lessons, splash day, a Year 6 and Year 7 graduation, transition, Family Night and lots of other activities. Please keep your eye out for information and consent forms coming home for some of these events, to ensure your children have the opportunity to attend. Most importantly, we cannot forget that we have lots of teaching and learning that needs to still take place. Please send your children to school every day so they continue to learn all that they need to, before they move into their next year level. I am looking forward to seeing our students attend every day to improve their learning and participate in all the activities and celebrations we have planned for them. Here is wishing everyone a great term 4.

*Miss Linda*

# Room 6 Book Making

Our Years 1 and 2 students are writing picture books. They are working both independently and in small groups to draft their own original children's books. Small groups meet regularly to share ideas, story-telling strategies and discuss the progress of their drafts. Over the next few weeks, they will select their favourite draft and publish it using a variety of book crafting techniques. The children are very excited to be hosting a Book Launch which will be held in Week 8.

# MAMBRAY CREEK EXCURSION

After being postponed last term due to bad weather, we finally got to go on our whole school excursion to Mambray Creek on Tuesday 19th October on a beautiful sunny day. There were lots of fun activities for the children including rock painting, a nature walk, making a mandala, damper and story-telling. Everyone thoroughly enjoyed the day and slept very well that night!
