Students had fun some fun learning some cricketing skills from some experienced SACA staff. Students practiced their bowling, batting and throwing

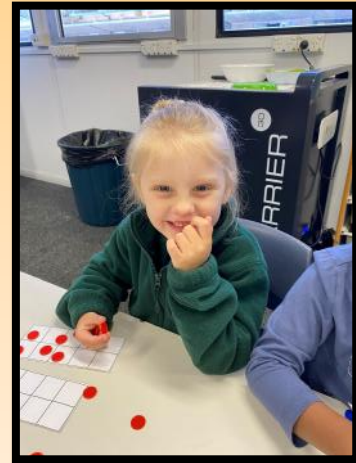

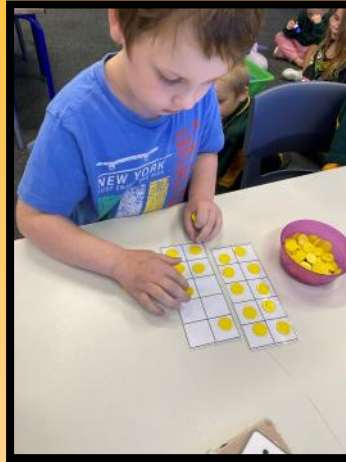

Room 7's Proud Work!

We have been learning lots in Room 7 this year! Here is some of our work that we feel proud of.

Maths in Room 7!

In Room 7 we have been learning to subitise using ten frames. We have been working on the numbers 0 to 20.

PREMIERS READING CHALLENGE

The Premier's Reading Challenge is a literacy engagement program designed to encourage students to read more books and enjoy reading and improve literacy levels. The challenge requires students to read 12 books between the beginning of the school year and early September.

Hon Geoff Brock MP, Member for Stuart recently contacted the school to pass on his congratulations to students stating, 'Reading is a skill that once mastered becomes a gift. When you can read, you have empowered yourself to become more aware of and more involved in your world being capable of learning about it.'

Congratulations go to the following students:

KESAB VISIT

Eloise from KESAB visited our Junior Primary classes today to make some hand-made recycled paper with the students. The students enjoyed this activity and learnt about paper recycling and protecting the environment.
