Pictured here are Wyatt and Bhavneet, who came up with the idea for the "Be Kind" t-shirts for the whole school. The idea behind the t-shirts is to remind everyone in our school community of the importance of 'being kind' to each other in acknowledgment of Bullying No Way Day.

Be Kind.

Please make sure you ring the attendance team if your child is absent for any reason.

On Tuesday 6th and Wednesday 7th August, our Year 3/4 and Year 5/6 students participated in the annual Hotshots Tennis Day. There were several other schools also participating and luckily the weather was kind to us. Students had a great day and enjoyed learning tennis skills as well as the rules of the game.

In English, students have been learning about recount writing. They have been building their recount writing knowledge beyond writing about their weekends. They have been doing this by reading different stories and recounting the events that happened in order. Students have enjoyed getting the opportunity to share their writing with the class.

At the beginning of the school year, Room 8 worked together to decide on an inquiry project that would be based around collaborative learning and teamwork. As a class we decided that we would like to make a book about animals to help other people learn more facts about them. We have been working very hard throughout the year to research and create different pages on a variety of animals.
